LANGUAGE DEVELOPMENT FUND

Pretoria Chinese School offers language enrichment lessons during the school day to assist with the foundation and development of the English language for pupils who do not have proficiency in English. With the increase of non-home-language English speakers joining Pretoria Chinese School, it is becoming increasingly difficult to time-table these lessons into English Home Language teachers' time-tables. It is thus essential that a designated English Support teacher be assigned for this purpose.

A R5000,00 Language Development Fund levy is to be paid in order to ensure such support for the duration of the child's stay at Pretoria Chinese School.

In all phases, this teaching is incorporated into the academic programme.

Yours sincerely

Mr J Gelling
Principal
