SCHOOL DEVELOPMENT FUND

The school has introduced a development fund applicable to all new families joining our school. The money will be placed in the development fund to be used for infrastructural development and improvements.

We are a Non Profit Organisation, without funding from any other external source. Contributions from our founding organisation, The Young Chinese Cultural League and the Chinese Community as well as from our past and current parents have provided us with the beautiful buildings and infrastructure to the benefit of all our pupils.

Pretoria Chinese School needs to continue to grow and develop. Thus all new admissions to Pretoria Chinese School are required to pay a compulsory once-off, non refundable contribution of R5000,00 (five thousand Rand) to this fund.

We welcome you to our school community family circle and thank you for supporting the growth and continued development of our school. The fund will enable us to enhance the learning process for our pupils than is provided by Pretoria Chinese School.

Yours sincerely
